Introduction

The IVAO Special Operations Department is thrilled to announce the next SO Online Day. This edition will be hosted by the Ecuador Division. This exciting event will take place over the amazing oceans near Manta. We invite all pilots to join us for a day of thrilling aviation missions. This mission contains a SAR where you'll need to showcase your SAR skills. On the other side, there will be some tankers in the air assisting the SAR pilots if necessary.

Mission 1

Depart from Eloy Alfaro International Airport and head north towards the oceans of Ecuador. There have been some Navy's reported missing. It's your job to locate them and bring them home safe!

Mission 2

Take your favorite tanker and depart from Eloy Alfaro International Airport and fly direct to point KIKIS. Perform a hold instructed by the controller in order to assist the SAR aircrafts during their mission. After a successful SAR mission, head back to the base.
