INTRODUCTION

The Special Operations Department invites you to participate in this CAT-B Exercise which has as main target to search and destroy a RED air base.

After that our recon aircraft were able to identify and locate enemy strategic bombers, we've discovered that they flew to an air base in the North desert.

Base: SANT

Date: 18-05-2019

Time: 18z-21z

***This mission has been made as a following of previous SO events in Argentine Division, you can read about them here: <http://forum.ivao.aero/index.php?board=162.0> or <https://ar.ivao.aero/?lang=en&pagina=eventos/en/pasados>.**

Now we'll keep the same focus for 2019 events, but introducing new concepts to our missions.
