Special Operations Department

International Virtual Aviation Organisation

Introduction

The Peruvian Special Operations department is pleased to introduce the Armed Forces Day of Peru event. This celebration will include two missions showcasing the skills and capabilities of the Peruvian Air Force. We invite you to participate in an aerial refuelling demonstration over Arequipa and a logistical transport operation between Peru's major airports.

Join us to honour and recognize the bravery and dedication of our military personnel.

Date and Time

Date: Tuesday, 23rd July 2024
