## Introduction

The Special Operations Department in the Belgium and Luxembourg division is now re-opened! Join us in this event to help showing us we are back! In our very first event, we'll show what the Belgian Defence is worth. We'll be doing 2 different missions: Search and Rescue, and air exercises.

## Date and Time

**Date:** Sunday 1<sup>st</sup> September 2024

**Time:** 12:30 UTC – 16:00 UTC

## Definitions

TERM	EXPLANATION
GAT	General Air Traffic

Runway	Length	ILS	CIRCUIT	HEIGHT
11	2670 m	/	Left/right	6 ft
29	2670 m	/	Left/right	11 ft

## ATC

Position	Callsign	Frequency
EBFN_APP	Koksijde Approach	121.055
EBFN_TWR	Koksijde Tower	122.1

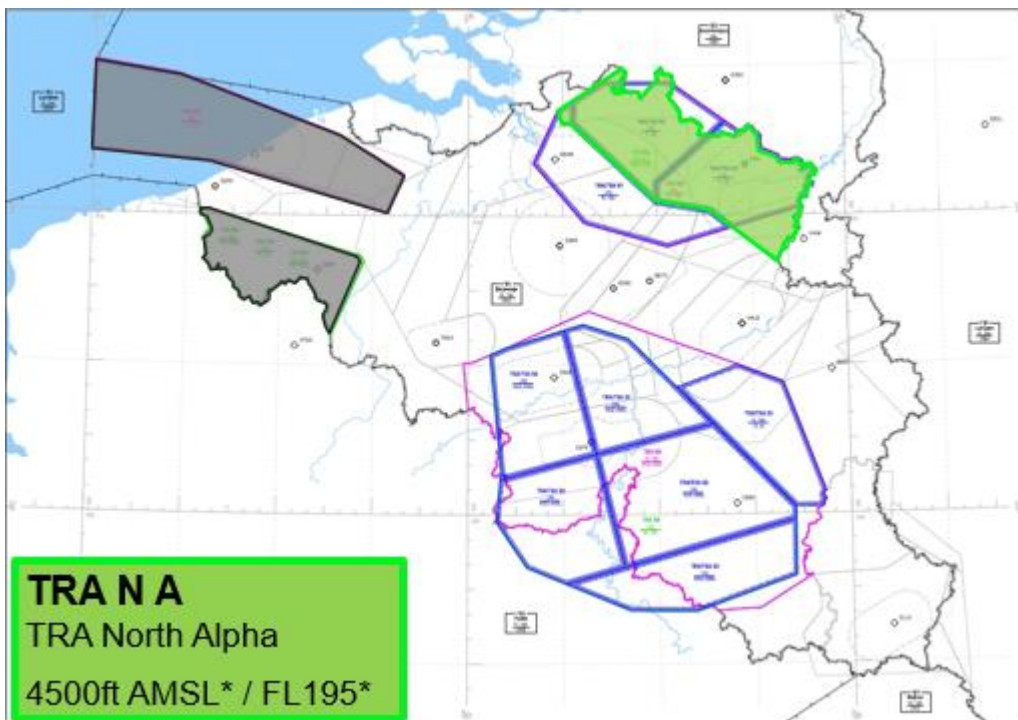

## Airspace

Koksijde: D SFC -FL55

## Mission 1:

Depart from EBBL with a fighter aircraft (preferably F-16 or F-35) and perform the HPMA BL23B departure. Afterwards, you will go to TRA North Alpha to do some air exercises such as loopings, rolls, etc. During your exercise, you have been called by ATC to help support a SAR mission, you will fly heading EBFN and Return to Base afterwards.

## Mission 2:

Some people who were spending the day at the beach of Ostend have been reported missing, It's your job to locate the swimmers and bring them back to base safely.

### Briefing

A verbal briefing will take place at:

Place: : IVAO Special Operations Department Discord

Time: 01/09/2024 12:00z

Add here more resources such as links, charts, etc.
