Event information.

The Beja Air Show, known for showcasing a diverse array of aircraft and hosting thrilling aerial displays. The event typically attracts aviation enthusiasts, professionals, and the public alike, offering them a unique opportunity to witness firsthand the excitement and innovation within the aviation industry.

One of the main highlights of the Beja Air Show is its impressive lineup of aerial performances, which often include breathtaking aerobatics, precision flying demonstrations, and displays of military aircraft capabilities. Spectators can expect to see skilled pilots manoeuvring fighter jets, helicopters, vintage planes, and other specialized aircraft, showcasing their agility, speed, and technical prowess.

In addition to the dynamic aerial displays, the Beja Air Show also features static aircraft exhibits, allowing attendees to get up close to various aircraft models, explore their features, and learn about their history and capabilities. This aspect of the event provides a valuable educational opportunity for both aviation enthusiasts and curious visitors who wish to deepen their understanding of aviation technology and innovation.

Furthermore, the Beja Air Show serves as a platform for industry professionals to network, exchange knowledge, and showcase the latest advancements in aviation technology and equipment. Companies involved in aerospace manufacturing, defence, and aviation services often participate in the event, using it as a platform to promote their products and services to a diverse audience.

Overall, the Beja Air Show is not only a thrilling spectacle for aviation enthusiasts but also a significant event that celebrates the rich history, innovation, and excitement of aviation. Through its dynamic aerial displays, static exhibits, and educational activities, the Beja Air Show plays a vital role in inspiring interest in aviation and fostering a deeper appreciation for the remarkable achievements within the industry.

Mission Information.

Fly with your VSOG or your own aircraft and take part in the Air Show performing a display, for example an acrobatic display. Take care, a lot of people will assist to the event so if make a good display spotters will take good pictures. Beja Air Base will be closed for traffics that are not participating in the Air Show. Coordinate with other traffics or formations in the zone.

For the event, manage your registration and add information about the flight, explaining your availability during the event, if you will do it single or doing a formation flight, your aircraft type, and your display time. One day before the event, we will send via mail the schedule of the event, with the hours of each display, to be all organised.

- From 0900UTC to 1000UTC will be inbound flights. You will take the aircrafts, such as the aircraft that you will use to perform the display or just your aircraft to arrive to Beja and stay there to see the Air Show.

- From 1000UTC to 1200UTC will be morning displays.

- From 1200UTC to 1300UTC will be mealtime, Air Base will be open for inbound and outbound flights.

- From 1300UTC to 1500UTC will be afternoon displays.

- From 1500UTC to 1600UTC will be outbound flights. You will fly back to your original Airport, finishing the Air Show.
